

Carers Personal Protective Equipment (PPE)

If you are a carer providing support to a loved one, friend or neighbour and need PPE to help support you in your caring role to prevent COVID 19 or flu, then the Wirral Carers Health and Wellbeing Service can support you.

Our Personal Protective Equipment (PPE) service is a free service to all carers in Wirral (unpaid/informal) to provide free of charge PPE.

You will be given details for our online ordering where you can choose what PPE you need and we will order it for you.

Speak to our carers helpline to access this service...
